

## Blasting Cable 0.75mm to DEF 61-12 PT17 Issue 1 & NATO 6145-99-017-3378

### CONSTRUCTION

- 24/0.20mm (0.75mm<sup>2</sup>) Plain Annealed Copper Conductor
- Conductor insulated with PVC
- 2 x Conductor twisted together (twisted twin)
- Colour: 1 Brown & 1 Black No Sheath

### SPECIFICATION

DEF 61-12 PT17 Issue 1

*This item is classified as ML4b within UK Strategic Export Lists and requires export authorisation to be sold outside the UK.*

- Voltage Rating: 300/500V
- Current Rating: 6A
- Temperature Range: -40°C TO +70°C
